Eddie & Maha Fakhoury Scholarship

As parents of four children we know the difficulties of making sure a child enters their formidable years in middle school with the confidence and much of that confidence starts with having school necessities such as a back pack, new shoes, clothes, supplies, etc. We can all recall the excitement of going school shopping just as we can all recall the stress of not having certain things. This is our family's way of helping relieve that stress on the student and their family and hopefully ensuring that the winning candidate has that same excitement on their first day of 6th grade.

The work I have been involved in over the past 15 years and specifically within the Dearborn Public Schools over the past years as Executive Director of the Dearborn Public Schools Education Foundation (DPSEF) fueled my family's charge to establish this fund. As I worked on many initiatives with the district, local business owners, donors and community leaders I found that a great deal of support is missing at the K-5 grade levels. It is our family's hope that this small gesture of supporting this wonderful school district in this manner will positively impact a student and ensure their continued academic success. We hope others will agree with us and step up by investing in our younger students much earlier in their school life. The DPSEF is an outstanding vehicle to accomplish this and truly make a difference in someone's life whose academic future may place them in schools like Harvard and MIT.

We are grateful that we saved and set aside some money to start this modest fund. We will do our best to continue to contribute to this fund each year in order to maintain this effort for many years to come. We also hope to grow it so we can offer it to multiple students each year. So, if you believe in what we are doing and you have an interest to donate to our fund please consider doing so through the DPSEF. Donations are tax deductible and all dollars will go directly to impact a local family and their high achieving 5th grader. Just earmark your donation to "Eddie & Maha Scholarship Fund."
